What's Up in Flaming Arrow?

True to our yell, "WE AIM HIGH," and to the mission and spirit of Scouting, Flaming Arrow District members have given service to others, practiced lifesaving and first aid skills and set aside time to have fellowship, good food and to honor others who have given outstanding service to others.

Recognition Dinner, Scouting for Food, First Aid Meet, Scout Sunday, Camping, Webelos Do Your Best, Unit Meetings – all in one hour....

TRAINING CHAIR: Alice Hamilton

When asked what the three greatest needs for the newly formed Boy Scouts of America were, James E. West, our first Chief Scout Executive replied, "Training, training and training." More than hundred years later, those are still our greatest needs today.

Training (for youth and adults) is the magic that makes all parts of the Scouting program function better. With training, leaders can find more knowledge and confidence and learn how to better prepare youth to apply the Scout Oath and Scout Law for the rest of their lives.

In the Flaming Arrow District, we want everyone to be trained for the position where they are currently serving. If you are not sure if you are trained, check your needed trainings on "My Dashboard" at <http://my.scouting.org>. Here you will be able to find a listing of your completed training courses (that are associated with the BSA ID# in your profile) and courses that you may still need. If a course is missing, it can be added. You can contact a member of your unit Key 3 to add a training course or contact me directly.

Many courses are offered online at <http://my.scouting.org> and many more are offered in a "face to face" format. Some online resources to find these "face to face" courses are <http://flaming-arrow.shac.org/training> as well as www.samhoustonbsa.org/training-schedule. Training can be taken anywhere in the council.

Flaming Arrow District Training Day is set for Saturday, May 19th. Registration is not available yet for May's training day, but will be soon.

For next month - Would you be able to explain to a new parent how youth protection policies are applied and enforced in your unit? More to come about updated youth protection training.

Keep enjoying the adventure of Scouting!

Order of the Arrow, Always ready to give cheerful service
